

Community Arts Norristown – 2018 STUDENT AGREEMENT

Complete and return by mail or email before the first day of class.

Students may not be allowed to participate in certain activities if this form is not returned.

Community Arts Norristown is dedicated to giving everyone a positive, safe and fun experience with the arts. We'll do everything we can to make that happen, but we need your help! We ask that everyone who takes our classes do their best to play nice and agree to these simple rules:

- I agree to listen to my teacher and follow their directions.
- I agree to treat everyone I meet with respect and kindness.
- I agree to clean up my messes and help to keep my studio neat and tidy after class.
- I agree to use my indoor voice and indoor feet (no running inside!).
- I agree to never, ever hit, touch, kick, or otherwise be violent in my actions or words towards anyone, for any reason.
- I agree to put my cell phone away!
- I agree that I will always be open to new ideas.
- I agree that I will always do my best, but that making mistakes is okay!
- I agree to **work hard and be nice.**

By doing these simple things, I will make my creative experience and everyone else's positive and fun. I understand that if I do not follow these agreements, I might not be allowed to participate in certain activities and my adult will be contacted.
